

The logo is a white graphic with a black outline, shaped like the state of Oregon. It features the word "OREGON" in a large, blue, serif font. A red five-pointed star is positioned inside the letter "O". Below "OREGON", the words "Main" and "Event" are written in a smaller, blue, serif font. Three red five-pointed stars are arranged in a descending line to the left of the word "Event".

Terms & Conditions

Limited Warranty

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale. Satisfactory settlement must be made with the clerk of the sale immediately after the close of the sale. Only when the above conditions are met will the buyer be entitled to the warranties listed below. Animals will be released only on a signed order from the clerk when presented to the barn superintendent. In no case will animals be released unless settlement is made with the clerk of the sale.

EXPORT SALES: Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot is pledged to absolute sale. In case of dispute, the animal or lot shall again be put up for advance bids, and if there be no advance bid, the animal or lot shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

RISK: All animals located at the sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24 hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignors risk prior to selling in the event of fire or other eventuality.

CERTIFICATES OF REGISTRATION: Will be furnished by the seller showing transfer on the records of the Holstein Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES: 1) Each consignor warrants clear title to the animal or lot, and the right to sell same. 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with EITS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal or embryo, donors or recipients exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced. 3) The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. All records, except records in progress, are shown on crude protein scale. Only records recognized by the Association as acceptable for pedigrees are used in pedigrees contained herein.

PARTNERSHIPS AND SYNDICATES: In each case of a multiple-owned animal, each person or firm included on ownership will be identified.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with the suffix ET in the name. Any unregistered animals that resulted from ET are so identified. Any manipulation as aspirating acolytes, in vitro fertilization and maturation, splitting, nuclear transfer or other technology will be identified and will be a matter of record in the Association office. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale including but not limited to the following:

Tuberculosis- Each animal other than calves under four months of age has passed a negative test for tuberculosis within thirty days of date of sale. Type of test will be shown.

Brucellosis—Each animal, other than un-cataloged baby calves, and official calf hood vaccinated females under twenty months of age, has passed a negative test for brucellosis within thirty days of sale.

Requirements for tuberculosis and brucellosis may be modified in areas that are brucellosis and/or tuberculosis free when limited dispersion within a free state is obvious and as may be dictated by state regulations. Other health warranted in this sale shall be disclosed. The results of any future health test is not guaranteed.
