

The Legacy of Wilstar

Pine River, WI
May 28th, 2019 11:00

Welcome to Pine River, Wisconsin and the home of Wistar Holsteins. It is truly an honor and privilege to be able to work with Willis and Carla and family as they set out to complete this phase of their life. Our relationship with Willis and Carla extends back to well over 30 years ago. It is been a joy and honor to watch them continue to breed cows, manage this herd and attain goals that they had set.

Without a doubt Wistar has set out to continue to develop deep well known cow families. As you page through the catalog you will see some of the breeds most notable cows families. Such as Tony Beauty, Dellia, Subliminal, Apple, Enhancer Alicia, Stabuck Winnie, Lead Mae, Raven, Roxy and Elegance. Along with the bookends of this great offering the most meaningful to the owners, the Canyon Dazzle and the homebred Limited families. We can assure you as Holstein enthusiasts there is something for everyone at this sale.

A few things that we would like to call to your attention is the care and environment that is offered here at Wistar. All the cattle selling are accustomed to using headlocks on a day-to-day basis. Along with one of the most important factors to be offered is the free stall environment that is also used on a day-to-day basis. The herd is milked through the tie stall barn and housed year round in free stalls. One thing we would like to have known is that on sale day the cows will be in the tie stall barn for viewing, and as we prepare to start the sale they will be turned out in their natural environment.

Also, for Wisconsin youth with aspirations of showing at the Jr. State Fair Dairy Show, please see our facebook posts that will allow you to enter your purchases to be shown.

In closing, we would like to thank Willis and Carla for this opportunity. The decision to offer this herd and continue on as Holstein enthusiasts is not an easy one. However, all of us are very fortunate to know that Willis and Carla will still be there for us as mentors in the years to come.

We look forward to seeing you on May 28th, endless opportunities await you!

Scott Courtney

Wistar Vaccination Protocol

- ***All cows are vaccinated 30 days post calving with Bovi-Sheild Gold 5 L5HB
- ***All heifers are vaccinated prior to breeding with Bovi-Sheild Gold 5 L5HB
- ***All cows and bred heifers are vaccinated with ScourGuard 4KC and J-5 prior to calving
- ***All cows are dry cows are dry treated with Quartermaster and OrbeSeal

Welcome to Wilstar Holsteins and Pine River, WI! Since making the move to locate here back in October 2001 we have enjoyed many great moments, trials and tribulations, life changes and such like many of our farming friends. We have been blessed with so many relationships within our local and the dairy community. In moving to this location Bob and Sherry Gates and Jim and Robin Gates families supported us every way possible. Our Church @St John's Fremont and the families within have been a tremendous support group in every way I believe the way the Lord desires a Church body here on earth to function. The Mielke's Pat and Warren and Sharon Wilson certainly helped us raise our kids as toddlers and keep the farm running. When we first came to Pine River we had something of a "Dream team" full of energy and ambitions to make a mark in this business. Together with Lynn and Sara Harbaugh and Kevin Jorgenson, Wilstar was off and running. Much of that was a fabulous run and Carla and I will forever be grateful for the contributions they made to help us get established.

Our family has been terrific supporters as well. The valuable advice and assistance from many of them grows our strong belief in how a family unit runs. As we move into the next phase of our lives we look very forward to being able to grow this connection further, especially with Chad and Amy Ryan and Dennis and Nikki Gunst and family, as we look to continue to nurture the love for the Holstein breed with their families. Their assistance/advice/cattle partnerships have been and will be highly valued/treasured!

Also want to make a mention to all the special employees that have spent time here at Wilstar. Cory Biely was the first person we hired and still calls this community home with his wife Claire as one of our lead veterinarians. Dan Bauer, Skyler Buman, Brian Coyne, Bryan Milnes, Seth Hoesley, Josh Gates, Chris and Nicole Wilson, Bill Deppe family, The Hamm family, Samuel and Lauren Phillips, Nataile Ott, and Logan Wagner have all made very valued contributions. Additionally we have a very special relationship with international assistance too. Dorothee Derboven, Jacques Bernard, Crystal Riem, Lyse Neville, Katie Lamla, Sarah Knaust, Sebastian Klein, and we welcome Fenja Boekhoff back to help us get to the finish line! All these people have made a true impact on our lives!

Another set of Thank you's to some of our cattle partners and mentors that have had faith in us for a long time. People like Frank Regan, Neal Turley, Bill Hageman, Tom Morris, Dale Kranz, and Dan Koopmans helped show us the ropes in the cow business. Cattle partners Troy Opsal, Nate Goldenburg, Synergy Dairy, Lynn Bell, Mystic Valley, Andres Middelkamp, the Booth/Ott family and countless others have made our journey of breeding and caring for cows so enjoyable with the life long friendships we have made.

My Holstein USA classification job has had numerous great people influence on my life but no doubt Cy Letter is the cream that rose to the top there. One last major THANK YOU is perhaps the most important of all, my wife Carla. Her dedication, determination, selflessness, extreme work ethic, rock star mom, is the glue that kept our farm on a great path. I told her often we prove we can farm without me everytime I go score cows but nothing is the same without her.

So to the Courtney family, who has been great friends since an Iowa State Fair trip in 1991 with Regancrest, (no question who would run our final sale) and all the sale staff, fitting crew, our farm help, everyone mentioned above, and all others that pitched in to get us to this day we offer the deepest and most heartfelt thank you from the bottom of our hearts! You have all meant the world to us and will continue to do so for the rest of our lives! Celebrate with us "The Legacy of Wilstar"!!!

Love,
Willis and Carla
Cathryn and Christopher

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
 - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.
